

Thursday Ground Water Application Drill (Water Bowling)
Fight begins at 1:30pm, Thursday, September 4, 2008

All participants must be registered with the IFA Convention.

Course will be 60' long by 16' wide. The goal line is 15' from each end. Teams will start at the end of the course and cannot advance past the goal line they are defending. This is single elimination contest.

Teams will consist of two people minimum, maximum of three.

Teams may be male, female, or coed.

Contestants must be 18 years of age.

Must wear bunker coat, helmet, and closed toe shoe. (additional gear is optional)

Any team member falling or losing any equipment will constitute disqualification. A fall will be considered if both knees touch the ground, or if you lay down. You will be allowed to go to one knee to fight.

There will be a 2 minute time limit. All fights will begin and end on the judge's whistle.

Cannot touch ball with your person or equipment. Water is the only thing allowed to touch ball

Pressure will be set at 120psi at the pump.

You may only nozzle for one team.

Only the nozzle person may touch the nozzle.

Judges decision is final.

Not responsible for accidents or injuries.

Trophies will be awarded for 1st, 2nd, 3rd, and 4th place.
